EXPERIENCE

10/2021 - now **Associate Professor (tenure-track)**, Dept. of EE
Shanghai Jiao Tong University, Shanghai, China
06/2018 - 09/2021 **Postdoc**, Dept. of Automation
Shanghai Jiao Tong University, Shanghai, China
Work with Prof. Xinpeng Guan
01/2019 - 01/2021 **Visiting Scholar**, Dept. of ECE
The University of Texas at Austin, Texas, USA
Work with Prof. Alan Bovik
01/2016 - 01/2017 **Visiting Ph.D**, Dept. of ECE
University of Waterloo, Waterloo, Canada
Advised by Prof. Zhou Wang

EDUCATION

09/2013 - 06/2018 **Ph.D.**, Information and Communication Engineering
Shanghai Jiao Tong University, Shanghai, China
Advised by Prof. Guangtao Zhai
09/2009 - 06/2013 **B.S.**, Electronic and Information Engineering
Wuhan University, Wuhan, China

AWARD AND HONOR

- Best Paper Award of IEEE Transactions on Broadcasting (2025)
- Winner Awards of 3 IEEE/CVF ICCV VQualA challenges (2025)
- Best Paper Nomination of ACM Multimedia (2024)
- IEEE CASS VSPC-TC Best Paper Award (2024)
- The 1st Place Award of the ECCV AIM 2024 Challenge on UHD Blind Photo Quality Assessment (2024)
- First Prize of CVPR NTIRE Challenge on Short-form UGC Video Quality Assessment (2024)
- Winner of IEEE ICIP Point Cloud Visual Quality Assessment Challenge (2023)
- IEEE CASS MSA-TC Best Paper – Honorable Mention (2023)
- Hot Paper Award of SCIENCE CHINA Information Sciences (2022)
- Best Paper Award of IEEE BMSB (2022)

- The First Prize of the IEEE ICIP Grand Challenge: Video Distortion Detection and Classification in the Context of Video Surveillance (2022)
- Best Paper Runner-up Award of IEEE Transactions on Multimedia (2021)
- First Place Award of IEEE ICME Grand Challenge on Quality Assessment of Compressed UGC Videos (2021)
- Best Paper Award of IEEE International Workshop on Mobile Multimedia Computing (in conjunction with IEEE ICME) (2019)
- Grand Prize of IEEE ICME Salient360! Grand Challenge (2018)
- Special Award of IEEE ICME Salient360! Grand Challenge (2017)
- Best Student Paper Award of IEEE ICME (2016)

FUNDING

- Natural Science Foundation of China: Young Scientists Fund (B Class), 2026-2028, PI. (Total: 2000K RMB)
- Natural Science Foundation of China: General Program, 2023-2026, PI. (Total: 530K RMB)
- Natural Science Foundation of China: Young Scientists Fund (C Class), 2020-2022, PI. (Total: 285K RMB)
- National Key Research and Development Program of China: Sub-task, 2023-2026, PI. (Total: 500K RMB)
- National Postdoctoral Program for Innovative Talents, 2018-2020, PI. (Total: 600K RMB)
- Shanghai Pujiang Talent Program, 2022-2024, PI. (Total: 300K RMB)
- China Postdoctoral Science Foundation: General Program, 2018-2020, PI. (Total: 80K RMB)
- Shanghai Super-Postdoc Incentive Plan, 2018-2020, PI. (Total: 200K RMB)
- CAAI-Huawei MindSpore Open Fund, 2022-2023, PI. (Total: 180K RMB)
- CCF-Tencent Open Fund, Research Period: 2022-2023, PI. (Total: 50K RMB)
- Huawei-SJTU Explore X Fund, 2023-2025, PI. (Total: 450K RMB)
- Shanghai Jiao Tong University Start-up Research Fund, 2021-2024, PI. (Total: 800K RMB)
- Shanghai Jiao Tong University Medical-Engineering Interdisciplinary Research Fund: Key Program, 2024-2026, PI. (Total: 500K RMB)
- Tencent Technical Project, 2022-2023, PI. (Total: 500K RMB)
- INTSIG Technical Project, 2024-2025, PI. (Total: 500K RMB)

RESEARCH INTERESTS

Image/video/audio quality assessment, artificial intelligence generated content, large multimodal model, visual attention analysis and prediction, visual enhancement and restoration, multimodal information fusion, VR/AR/XR and metaverse, virtual digital human, AI for healthcare, etc.
